

Tabelle 1

Chart 1

Technik

Permissible current capacities of insulated cables

Tab. 1

Tab 2-4

Tab 5+6

Conductor resistances

4030 bekonflex Ship Cable

ship control and power cable , flexible, petrol- and oil-resistant, shielded

ship control and power cable , flexible, petrol- and oil-resistant, unshielded

4031 bekonflex- STY

control and power cable, flexible, petrol- and oil-resistant, **with aluminium foil**

4032 bekonflex-ZJ 0,6-1,0 kV

control and power cable 0,6/1,0 kV, flexible,
petrol- and oil-resistant, cores number-coded

4218 bekonflex 3D control and power cable 0,6/1,0 kV, flexible, petrol- and oil-resistant, cores
number-coded

4217 bekonflex 3D unshielded and shielded cable for **drag chains**
for extreme use

4214 bekonflex 3D shielded data cable for **drag chains**

4216 bekonflex 3D unshielded control cable for **drag chains**

53041 bekonflex 3D -H halogen free control and power cable, flexible, unshielded

53091 bekonflex- CH halogen free control and power cable, flexible, shielded

53111 bekonflex 3D -HCH halogen free control and power cable, flexible,
shielded, with inner sheath

bekonflex Desina **bekonflex®-DESINA®** means reducing of costs, standardization and decentralization.
